FOR IMMEDIATE RELEASE

DATE: July 17, 2020

The Crawford County Health Department has been notified of a Crawford County resident who tested positive for COVID-19. The individual is a male under the age of 10 years who is recovering on home isolation.

Crawford County Health Department is following up with close contacts of the individual. If you are contacted by public health officials, please respond promptly.

We encourage residents to take steps to minimize the risk of contracting COVID-19 by wearing a face covering, following social distancing guidelines of 6 feet, washing hands frequently, and disinfecting frequently touched surfaces.

Please be aware of the symptoms of COVID-19, which include fever, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea. If you are experiencing any of these symptoms, please contact your healthcare provider for further guidance.
