

Crawford County Health Department

202 N. Christopher Blvd.
Robinson, IL 62454

618-544-8798

FOR IMMEDIATE RELEASE

DATE: August 30, 2020

Crawford County Health Department is very saddened to report the first COVID-19 associated death of an individual in their 70's. Our deepest sympathy and prayers are with the family during their time of sorrow. Additional information will not be released.

In addition, five more Crawford County residents tested positive for Coronavirus Disease (COVID-19) and are currently isolating at home:

- Two female youths
- One male in his 50's
- Two males in their 70's

Crawford County Health Department is following up with close contacts of the individuals.

Please take precautions to protect yourself, your family, and your communities. It is important to practice preventative measures to help keep the spread of communicable diseases to a minimum. These precautions include: social distancing, wearing a face covering, limiting in-person interactions, avoiding contact with people who are sick, covering coughs and sneezes, proper handwashing, cleaning frequently used surfaces, and staying home when sick. It is of the utmost importance that any individual experiencing symptoms isolate from others.
