- 2 males in their 80's

All individuals are on home isolation at this time. Crawford County Health Department is following up with close contacts of the individuals.

Please note there was an error in the number of cases reported December 1, 2020 for male children; it should have read two male children rather than eleven. We apologize for any inconvenience and appreciate your patience and understanding in this matter. Today's daily update will reflect the correction.

Please help us slow the spread of this communicable disease in our community. Please continue to protect yourself and others by wearing a face covering, maintaining at least six feet distance, and practicing proper handwashing.
